DATE: 15 OCT 1952

SUBJECT: Staff Study, Reserve Promotions

1. Staff study, as requested 1 October 1952, is attached.

25X1C

2. The study does not disprove the conviction of an individual reservist that he can be promoted faster in an Army Reserve Unit other than [REDACTED]. Such an opinion is usually based on personal knowledge of local situations, factors, and relationships which have personal bearing on an individual case.

25X1C

3. The Army Reserve promotion opportunities in [REDACTED] are commensurate with the reserve population in CIA.
